

PUSHPANJALI COLLEGE OF EDUCATION

Deployment of Activities of Strategic Planning for the year 2023-24

Goal 1: Ensuring Academic Quality

Strategy envisaged	Deployment status
Institutional Development Plan drafted	Draft IDP was prepared as per UGC guidelines. Finalization of the same is in process.
Strive towards ensuring that the Programme Learning Outcomes and Course Learning Outcomes are duly adhered to ensure excellence in academic quality. Revise the CLOs based on experiences of earlier academic year	PLOs and CLOs formulated in previous academic year were revisited. Multi modal approaches used to achieve PLOs and CLOs Weblink: http://pushpanjalicollege.com/LearningOutcomes.pdf
Provide required faculty-student and student-student support to achieve the PLOs and CLOs	Done through regular mentoring. Near cent percent results in the University Examination for results declared to date
Multimodal approach incorporated	Various teaching learning strategies based on constructivist and connectivist approaches were followed. See https://sites.google.com/pushpanjalicollege.com/pcecurriculum/home
Collaborate with schools to enrich internship experiences	Internship successfully done in collaboration with Jr colleges and schools affiliated to different Boards
Leverage the potential of ICT in learning by creating resources, identifying and disseminating information about quality resources	Online Learning Resources created and used by faculty and students https://sites.google.com/pushpanjalicollege.com/pcecurriculum/home
Create and deploy Value added Certificate Courses to augment other forms of interaction	Four Value Added Courses created and deployed. http://pcepshpadeep.blogspot.com/p/certificate-courses.html
Strengthen mentoring to help student teachers excel to the best of their capacity.	Mentoring manual designed Regular mentoring done on group and individual bases. https://pushpanjalicollege.blogspot.com/p/mentoring.html

Appreciate excellence in various arenas and offer an opportunity to showcase student potential	Students participated in cocurricular activities. Student led seminars organized.
Deliberate on various documents and integrate its recommendations into the teaching-learning process	Significant documents shared with students and faculty on the library blog.

Goal 2: Capacity Building for All

Strategy envisaged	Deployment status
Organize courses for student teachers to be equipped with 21 st century skills	Organized workshops/ expert talks for Game based pedagogy, Artificial Intelligence in Education, puppet making, Intellectual Property Rights ,neurolinguistic programming, Vedic Mathematics etc https://pcepupshpadeep.blogspot.com/p/2023-24.html
Encourage student teachers and faculty to participate in self-study courses especially on modern trends in education	Students participated in online courses/ training sessions conducted by CBSE Intel and CIET, NCERT. https://pcepupshpadeep.blogspot.com/p/self-study-courses.html
Support faculty professional development on AI in Education	Two expert sessions conducted to orient faculty to AI in teaching learning and evaluation and AI in research.
Encourage participation in professional development endeavours to help enhance the academic quality.	Two faculty member completed Faculty Induction Programme Seminars/workshops/ training sessions attended by faculty regularly
Organise programmes for inservice teachers	More than 400 teachers have been trained in the topic AI in Education Faculty has functioned as resource person for various sessions for continuous professional development of school teachers.
TET training	Students and alumni have benefitted from TET preparation workshops. 7 students have passed CTET in 2023-24
Library upgradation	Library resources have helped in capacity building of students. NLIST facility initiated.

Goal 3: Fostering Partnerships and Community Engagement

Strategy envisaged	Deployment status
Collaborate with colleges to organize programmes for students and faculty and to contribute expertise whenever requested	Faculty members were on the syllabi framing committees for autonomous colleges. Faculty members have worked as paper setters, examiners and moderators for University exams and exams conducted by autonomous colleges. One faculty member has been an expert on the Research Advisory Committee of an autonomous college.
Collaborate with institutions and individuals working in the field of clean environment to address local issues related to sustainable development	College has collaborated with NGOs Luna Story Foundation and Save the Earth for reducing plastic menace. Students have been sensitized to local issues like depletion of mangroves.
Coordinate with community centres and sensitize students towards social responsibilities.	Students have rendered service at various community centres and special education centres. Women Empowerment Programmes organized in an adopted area. Remedial classes conducted for students from marginalized groups
Launch MOUs with institutions to augment the capacity building efforts of the college	Faculty Exchange programme with St Teresa's Institute of Education conducted sessions for benefit of both institutions. http://pushpanjalicollege.blogspot.com/p/faculty-exchange-programme.html MoUs signed with Luna Story Foundation, St Elizabeth High School, Kinjal Charitable Trust and National English High School. Programmes have been carried out under these MoUs. https://pushpanjalicollege.blogspot.com/p/memorandums-of-understanding-mous.html
Provide consultancy to other institutions and thus build a culture of mutual support.	Faculty has provided expertise at sessions organized by various colleges/institutions.

Goal 4: Being Proactive and Committed to Innovation

Strategy envisaged	Deployment status
NAAC Accreditation process	4 th cycle of assessment and accreditation successfully completed in April 2024. College was accredited with an A grade and CGPA 3.19
Encourage student teachers and faculty to try innovative practices	Student teachers have explored many online platforms and used them effectively during internship. Faculty also have explored new avenues such as AI in education.
Showcase the innovations of student teachers and faculty on a suitable platform	multimodal approaches used by faculty are showcased on https://sites.google.com/pushpanjalicollege.com/pcecurriculum/home
Disseminate findings related to innovative practices in education	Workshops were held to orient students about innovative practices in education. Students have given lessons incorporating innovative techniques.
Identify areas for action research and carry out programmes in the same	All students of SYBEEd successfully completed their action research on need based topics.
Procure and use feedback to improve further curricular plans	Feedback solicited on curricular and other aspects was procured and analysed.
