The College has opted for a Google Suite Account and uses Google Classroom as the LMS. Each Course has a separate Google Classroom where the faculty uploads resource material in form of ppts and links of additional resources for perusal. Special provision is made for assignments to be uploaded by students.

Online discussions and links to evaluation exercises prepared by the faculty are also shared on the Google Classroom. All activities like Internship, Value added courses have independent Google Classrooms.

All students and faculty have their own institutional Google Suite id and access the Google classrooms through the same.

Screenshots of some Google Classrooms are shared below
