Report of the Cell

Orientation to Grievance Redressal Cell: During the orientation programme, students were oriented to the procedures to be followed in case they wish to convey their grievances.

Anti-Ragging Mechanism: On 29th April 2025, an orientation session was held for the students to sensitize and create awareness among students about the Anti-Ragging Act. The session aimed to educate students on behaviours that constitute ragging and the serious consequences such actions can lead to. Information on how to report incidents of ragging was provided. To reinforce the message, informative posters were placed in the key-spots of the college campus. Students were encouraged to submit the Anti-Ragging Undertaking as a preventive measure.

Grievances Received:

The student's council requested that the students should be permitted to use the printing services available in the college.

The students requested that the summer timings of lectures to be held early and allow them to leave early due to the increasing heat

Both the permissions were granted by the committee and the grievances were resolved.
