Report of the Cell

Orientation to Grievance Redressal Cell: During the orientation programme, students were oriented to the procedures to be followed in case they wish to convey their grievances.

Anti-Ragging Mechanism: On 22nd June 2026, an orientation session was held for the students to sensitize and create awareness about the mechanism and the constitution of the Anti-Ragging Act. The students were made aware of the various practices and behavior on campus that could be considered as ragging. Awareness was created regarding the possible punishments for their inappropriate behavior. The mechanism to report ragging was duly explained. Posters were displayed at strategic places within the college premises.

Grievances Received:

There was one request received from the students of the B.Ed. Batch 2024–2026 submitted a grievance requesting the installation of air conditioners in their classroom. They expressed that it was extremely difficult to attend lectures and remain comfortable for long hours during the summer season due to the excessive heat.

The grievance was brought to the attention of Sr. Delicia Fernandes, Principal In-Charge. After due deliberation and discussion with the College Development Committee (CDC) and the college management, appropriate action was initiated to address the concern.

Considering the students' request and their well-being, an air conditioner was installed in the S.Y.B.Ed. classroom. The grievance was thereby successfully addressed and resolved to the satisfaction of the students.

Thus, the request submitted by the students of the Batch 2024–2026 was duly redressed by the institution.
