About the two institutions

St. Elizabeth Convent High School is an educational institution run by Congregation of the Franciscan Hospitaller Sisters. The school mainly caters to students from the local community. There are few boarders who come from the rural parts of Palghar district. Most students come from economically disadvantaged families. They are often first-generation learners and lack academic support at home. St. Elizabeth Convent High School makes efforts to help these children cope with their studies by arranging academic support.

Pushpanjali College of Education was established in 1990. The college is permanently affiliated to University of Mumbai. The establishment of the college was a dream come true for the people of Vasai and other places in Thane (now Palghar) District as there was no B.Ed College in the area. The College, managed by the Society of Our Lady of Grace Convent, is one of the institutions run by the Congregation of the Carmelite Religious. The vision of the college is 'Education for the Life of the World'. Propelled by the vision, the college undertakes programmes to enhance the quality of education by nurturing the potential of the students and conducting regular programs for in service teachers.
